

The Directors of BlueSky Systems Solutions Limited

*cordially invite you to attend one of the BlueSky Roadshows from 14th to 30th October 2008 to be held in
Belfast, Glasgow, Manchester, Sheffield, Birmingham, Enfield (London North),
Chessington (London South) and Bristol.*

The presentations will include a demonstration of the Horizon Back-Office System, Horizon-Web, Horizon-Eye and the use of PDAs linked to the Masternaut distribution and control software.

The event will be of interest to small, medium and large dealers who will find out why over 70 office products dealers are now using BlueSky Horizon to increase sales, improve margins and reduce costs.
